For Your Next Special Event

Features

CENTRAL LOCATION

The Crested Butte Museum is located in the heart of downtown Crested Butte. We are just minutes away from restaurants, bars, shops, and public bus stops for your guests.

HISTORIC SETTING

Enjoy a preserved historic building complete with artifacts and exhibits about Crested Butte. Enjoy our historic garden featuring native plants adjacent to the museum.

YOUR CHOICE OF VENDORS

We provide the setting, and tables and chairs if you need. We allow you to use your choice of any caterers or other vendors to fit your event.

*The museum garden space offers a beautiful
outdoor setting for cocktail hours and mingling
surrounded by local native historic plants.*

"The Museum provided the ideal setting for our daughter and son in law's rehearsal dinner. With the Bride and Groom and their circle of friends being both huge mountain bike and backcountry skiers, the theme was ideal. For all, older and families, the museum provided the old and the new and great insight into the town and the surrounding area."
